

GUIDELINES TO VOTERS FOR SIGNING NOMINATION PAPERS SO THE SIGNATURES ARE CERTIFIED AND COUNTED FOR CANDIDATE.

REGISTERED VOTERS MUST SIGN THEIR OWN SIGNATURE
(Spouses, parents, friends may NOT sign for other voters.)

It is important to write legibly so the registrars may certify your signature and address.

Signature section:

- Please SIGN your name as you are registered to vote. *
(PRINT your name next to signature if it is difficult to read your signature.)
- If 2 people with the same name live in your house – please include the way you distinguish your signatures (middle initial, Jr, Sr, III, etc).

Address section:

- Print the address in Stow where you are registered to vote. *
- It must match the voter/census information the Town Clerk has on record for you.

***Notes:**

- If you moved recently or changed your name - you can double check what is in the voter registration database. See Link on left side of table below. You can use the link on the right side to make corrections if necessary.
- If you are eligible to vote but are not registered in Stow yet – you can register online right now & still sign the nomination papers! Use the link on the right side of the table.
